

**Ending, not enduring homelessness.
Community “Night Without a Home” Sleep Out**

Taking Action Against Homelessness

On Saturday Night September 20th, I, along with hundreds of other St. Louis County community members, have committed to spend the night outside to learn about homelessness. Together we will learn what life is like for those living on the street.

- How do people who are homeless make it from day to day?
- What resources are available to them?
- What can be done to help those who have no place to call home?

We are doing this in order to increase awareness of homelessness in our community, but also to raise money to help in efforts to **end** the problem.

All donations to ***Night Without a Home*** will go to the Heading Home St. Louis County Project Homeless Connect events occurring throughout St. Louis County. These events are designed to break down barriers and truly connect people to the services they need to escape homelessness. The funds will be used to *end homelessness by providing financial assistance for essentials such as: deposits – rental and utilities, birth certificates and state ID card, bus and gas vouchers, medical co-pay, work essentials (i.e.: uniforms, boots),etc.*

For more information, visit our website at: <http://www.unitedwayduluth.org/sleepout.htm>

Thank you for your contribution.
