

# ADVANCING THE COMMON GOOD.

United Way is working to advance the common good by focusing on the building blocks for a good life — a quality education that leads to a stable job, enough income to support a family through retirement, and good health. Our goal is to create long-lasting changes that prevent problems from happening in the first place.

## We work toward:

- » Fostering Successful Children & Youth
- » Improving People's Health
- » Promoting Financial Stability & Independence
- » Ensuring a Strong Network of Basic Human Services

**We invite you to be part of the change.

create opportunities for a better tomorrow.
