

## Advancing the COMMON GOOD for everyone

What do Kid's Plus and Community Partners have in common? They're both supported financially, in part, through donations made to United Way of Greater Duluth.

United Way of Greater Duluth works to address the most pressing needs of North Shore Communities by impacting people's lives in real and meaningful ways: **Meeting Basic Needs**, **Nurturing Children & Families**, and **Supporting Health and Independence**.

We invite you to be part of the change.
